Re: HQ-2022-00588-F

Re: A copy of the "plan for executing the Versatile Test Reactor project via a public-private partnership with an option for a payment-for-milestones approach," as required by Congress to be submitted to the Appropriations Committees around January 27, 2021.

Any attachment to the VTR "plan" requested above.

Dear Tom Clements,

Thank you for the request for information that you made to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Your letter was received in this office on 3/14/2022, and has been assigned a control number, HQ-2022-00588-F. Since we receive several hundred requests a year, please use this number in any correspondence with the Department about your request.

We are reviewing your letter to determine if it addresses all of the criteria of a proper request under the FOIA and the DOE regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004. We will send you a subsequent letter to inform you if we need additional information or to state where the request has been assigned to conduct a search for responsive documents.

I appreciate the opportunity to assist you with this matter. If you have any questions about this letter, please contact this office on (202) 586-5955.

Sincerely,

Alexander C. Morris
FOIA Officer
Office of Public Information
