RETURN RECEIPT REQUESTED

Mr. Tom Clements
Director, Savannah River Site Watch
1112 Florence Street
Columbia, SC 29201

Dear Mr. Clements:

SUBJECT: Freedom of Information Act (FOIA) Request Savannah River Operations Office
SRO-2023-00646-F

This letter constitutes our final response to your FOIA request for copies of:

- “1) Any modification to the original Work for Others (WFO) agreement between DOE/Savannah River Nuclear Solutions and Jülicher Entsorgungsgesellschaft für Nuklearanlagen (JEN) - located at the Forschungszentrum Jülich (FZJ) in Germany - and the Savannah River Site, Savannah River Nuclear Solutions, and/or the Savannah River National Laboratory after February 2022. Modification Number 9 to the Work for Others agreement terminated on February 28, 2023, so this request covers any "modification" or new agreement subsequent to Modification Number 9. The requested modification(s) may be called Modification Number 10 (or higher);
- (2) Any documentation on import of irradiated or unirradiated graphite fuel "pebbles" or materials from Germany to SRS. (At the time of this filing, it is believed that JEN obtained initial permission to export 33 fuel pebbles but it is unknown if final permission has been obtained from the Bundesamt für Wirtschaft und Ausfuhrkontrolle (BAFA) - the Office of Economics and Export Control or other German agencies. The export is facing legal challenge.)
- (3) Any attachments to Modification 10 requested above and any reports from any SRS entity that were provided to Germany in 2022 or 2023 under the Work for Others agreements; and
- (4) Any communication, including letters and emails, between SRNL, SRS or DOE and JEN or other German entities on the status of the cooperation, including on terminating or reviving the WFO or other cooperation.”

The enclosed documents are responsive to your request and are being provided in their entirety. The only redactions are classification markings that no longer apply to the documents. We have found other documents responsive to your request but are working through possible exemptions. Those documents will be provided at a later date.

If you wish to challenge the adequacy of the search or the information withheld, you must submit a written appeal within 90 calendar days after receipt of this letter denying in part and granting in part the requested information. Written appeals should be submitted to the Director, Office of Hearings and Appeals, Department of Energy, 1000 Independence Avenue, SW, L'Enfant Plaza Building, Washington, DC 20585, under 10 CFR § 1004.8, which sets forth the required elements of such appeals. Thereafter, judicial review will be available within the district in which a requester resides, has a principal place of business, in the place in which the records are situated,
